Dear Mr. and Mrs. Huberts:

I write to commend and thank you for your support of the students of the Partnership for Los Angeles Schools. Through our collaboration with SuiteKids, Partnership students are given the once in a lifetime opportunity to enjoy watching their favorite athletic teams live at the Staples Center in luxury suites, meet their favorite players, and even ride to and from games in a limousine.

Partnerships with organizations like SuiteKids are key to our education reform efforts because of the morale boost it provides our young people. You have taken the important steps that will connect our students with these opportunities. Thank you for your dedication to our students and community.

I look forward to growing our partnership over the next year, and I sincerely hope that your incredible organization will continue to grow and bring resources to more students in Los Angeles and beyond.

Very truly yours,

ANTONIO R. VILLARAIGOSA
Mayor
